* * *

ORDER:

In the G.O.6th read above, orders were issued extending the clinical attachment for a further period of three (3) years with effect from 1-2-2012 to 31-1-2015 to Sibar Institute of Dental Sciences, Guntur with Government General Hospital, Guntur for utilization of the clinical facilities of Government General Hospital, Guntur for training of their BDS students as per the terms and conditions stipulated in the Government orders.

2. In G.O.7th read above, orders were issued permission to the Sister Care Educational Society, Ramanujakutam, Krishna Nagar Main Road, Guntur to have clinical training of the 1st and 2nd year students of their proposed Dental College upto 31.01.2015, as per the terms and conditions specified by the Government in the G.Os. connected with the subject.

3. In G.O.8th read above, orders were issued permitting Sibar Institute of Dental Sciences, Guntur to continue to avail the clinical facilities in the subjects of General Medicine, General Surgery and other non-clinical subjects of Anatomy, Physiology, Biochemistry, Pharmacology, Pathology and Microbiology for their BDS students at Guntur Medical College and Govt. General Hospital, Guntur for a further period of five (5) years with effect from 01-02-2015, as it is represented by Sibar Institute of Dental Sciences, Guntur that Sister Care Educational Society obtained clinical affiliation from 'Katuri Medical College, Guntur' and submitted to Dental Council of India for permission.

4. In the representation 9th read above, the Secretary cum Correspondent, Sister Care Education Society, Guntur has submitted, among others, that the Dental Council of India, New Delhi disapproved the permission to start the college in 2014 for one and only reason that the college did not have clinical attachment of Government Medical College for a period of 5 years as the clinical attachment given by the Government of Andhra Pradesh in the G.O.7th read above is for 2 years only and ending on 31.01.2015. Later the Ministry of Health Government of India has given them the opportunity to produce clinical attachment of any medical college for

(P.T.O)

a period of five years, Accordingly, they had obtained clinical attachment with Katuri Medical College, Guntur for a period of five years and submitted the same to Ministry of Health, Government of India, New Delhi on 30.06.2014. Consequently, this was rejected by DCI stating that it was too late and it could not be considered at that stage. Later Katuri Medical College, Guntur withdrew clinical attachment letter stating they wanted to start their own dental college.

5. Hence, an application was submitted by Sister Care Education Society to the Government requesting for extension of clinical attachment with Guntur Medical College for five more years from 01.02.2015. It is also submitted that the Govt. of A.P. under the view that Care Dental College, Guntur have clinical attachment with Katuri Medical College, have accorded the clinical attachment of Guntur Medical College and Govt. General Hospital, Guntur to Sibar Dental College, Guntur for five years (GO No. 844, dated.25.11.2014) due to which they are denied clinical attachment with any Medical college and therefore, they are unable to get DCI permission of Care Dental College.

6. Clause (h) of sub-regulation (2) of Regulation 6 of the Principal Regulations 2006 as amended in 2012 reads as follows:

> "(h) the applicant shall attach its proposed dental college with a Government Private medical college approved / recognized by the Medical Council of India which is located at the distance of 10 kms. by road from the proposed dental college and produce evidence of the said Medical College to the effect that it would facilitate training to the students of the proposed dental college as per syllabus / course curriculum prescribed in respective undergraduate and post graduate dental course regulations as amended from time to time:
>
> Provided that not more than one dental college shall be attached with the medical college.
>
> (hh) the existing dental college (s), established or permitted to increase the admission capacity in UG and PG dental courses or permitted for starting of higher courses, under the Principal Regulations, 2006, shall continue to be so governed by the provisions of the Principal Regulations, 2006, as amended from time to time:

7. It is also represented by Sister Care educational Society that since Sibar Dental College is an established college for more than 10 years, they continue to be governed by old DCI Regulations. Hence, attachment with a medical college may not be necessary for Sibar Dental College, Guntur. Therefore, Care Dental College has requested for retention of Government General Hospital with Sibar Institute of Dental Sciences for clinical training and they may be permitted to attach their Care Dental College to Government Medical College.

8. The Secretary cum Correspondent, Sister Care Education Society, Guntur has requested the Government to permit clinical attachment of Guntur Medical College to be granted to Care Dental College for a period five years or course period. It is also informed that they already obtained clinical attachment with Lalitha Super Specialty Hospital Private Ltd for a period of five years.

9. In the letter 10th read above, the Director of Medical Education, A.P.Hyderabad has informed among others, that Government vide G.O.Rt.No.844, Health Medical and Family Welfare (C1) Department, dated.25.10.2014 have accorded permission to Sibar Institute of Dental Sciences, Guntur to continue to avail the clinical facilities in the subjects of General Medicine, General Surgery and other non-clinical subjects of Anatomy, Physiology, Biochemistry, Pharmacology, Pathology and Microbiology for their BDS students at Guntur Medical College, Guntur for a further period of five (5) years with effect from 01.02.2015 and requested the Government to take further necessary action in the matter.

Contd…

10. The Secretary cum Correspondent, Sister Care Education Society, Guntur has undertaken that he will withdraw the W.P.No.37211 of 2014 filed in Hon'ble A.P.High Court assailing the orders of the Government issued in G.O.Rt.No.844,HM&FW(C1) Department, dated.25.10.2014 permitting Sibar Institute of Dental Sciences, Guntur to have clinical tie up with Government General Hospital / Government Medical College, Guntur and also will not lay any claim to Government General Hospital, Guntur to have clinical tie-up with their Care Dental College, if their request for permission to have clinical attachment with Government Medical College, Guntur for a period of 5 years is considered positively by Government of Andhra Pradesh, duly cancelling the orders issued in G.O.Rt.No.844, Health Medical and Family Welfare(C1) Department, dated.25.10.2014 to that extent.

11. In the circumstances reported above and the Government after careful examination of the matter has decided and accordingly hereby cancel the clinical attachment given to Sibar Institute of Dental Sciences, Guntur with Government Medical College, Guntur as issued in G.O.8$^{th}$ read above. Whereas, it continues to avail the clinical attachment with Government General Hospital, Guntur till the period as permitted in G.O.8$^{th}$ read above expires. For clinical training of the students of the proposed 'Care Dental College, Guntur' , the management has obtained consent for clinical affiliation with 'Lalitha Super Specialty Hospital Private Ltd, Guntur' for a period of five (5) years.

12. The Government hereby permit the Sister Care Educational Society, Ramanujakutam, Krishna Nagar Main Road, Guntur to have clinical training of the students of their proposed Care Dental College for a period of 5 years, with Government Medical College, Guntur as per the terms and conditions specified by the Government in the G.Os. read above and such other conditions as may be prescribed by the Government from time to time in this regard and also shall pay an amount of Rs.25,000/- per annum per student for all payment seats to Government Medical College, Guntur towards fee for utilization of facilities for getting training of the students during the period for which permission is valid.

13. The Director of Medical Education, A.P, Hyderabad shall take necessary further action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
